What is the Bible About?

1. The Bible is a collection of books divided into two major parts: the Old Testament and the New Testament.
2. These books were written by about 40 men.
3. They were written between 1500 B.C. and 96 A.D.
4. The Bible contains many styles of literature: poetry, drama, history, proverbs, personal letters, and autobiography.
5. The Bible tells the story of a loving God seeking a relationship with people who have turned away from him.
6. Christians believe that God used people to write his words. Throughout the centuries, people recognized these writings as special. They preserved and copied them, read and studied them and even died for them.
7. God's word helps us. Psalm 119:105 says, "Your word is like a lamp that shows me the way. It is like a light that guides me."

What are the differences between the Old and New Testaments?

OLD: 39 books
written in Hebrew
completed about 433 B.C.
is mainly about the Jewish nation, Israel

NEW: 27 books
written in Greek
completed about 95 A.D.
is mainly about Jesus and the church
